Destination Signs

The route number and name is identified on the bus by a destination sign. The route name tells the final destination of the bus. Some routes have more than one route leg so the destination sign may be different for a morning trip than an afternoon trip.

Note the route number and name to ensure you are travelling in the right direction. If you need more information about your trip, ask your bus operator.

MobilityPLUS

MobilityPLUS provides specialized transit service in the urban service areas of the Region of Waterloo to those who can't physically access conventional transit.
